

ORANGE COUNTY WELCOME TO YOUR FUTURE

May 5, 2022 Event

Emerging Conversation Themes

On May 5, 2022, CLAOC and Octane hosted an ecosystem gathering welcoming 180 Orange County business, academic, and non-profit leaders to discuss a shared vision of how to build a better OC that will provide opportunities for all communities to thrive. Here are the emerging conversation themes of how the OC region can collaborate to build a thriving OC for all:

Address Affordability & Cost of Living Issues

Ensure that affordable housing and other necessary infrastructure is readily available to those who need it to live and work in OC.

WHERE IS OC ON THIS ISSUE?

Brand OC Locally & Nationally

Promote Orange County's innovative and diverse ecosystem and leadership that works together to build a robust economy while attracting talent and businesses to the region.

WHERE IS OC ON THIS ISSUE?

Connect the Talent Ecosystem Across the Region

Bring together businesses, nonprofits, K-12 schools, community colleges, and universities to promote and track progress towards collaborative talent development.

WHERE IS OC ON THIS ISSUE?

Expand Career Awareness Opportunities

Work with employers to provide career awareness and on-the-job training opportunities for middle and high paying jobs.

WHERE IS OC ON THIS ISSUE?

Support Alternative Career Paths, Hiring Practices, & Skill Acquisition

Promote and strengthen nontraditional educational pathways and certifications for in-demand skills, and skills-based hiring.
